

Board of Trustees Facilities Master Plan Kick Off

What is a Master Plan?

A master plan identifies where you want to take your facilities and develops a plan to get there.

The Master Planning Process

Note: This forward-looking work plan represents HPLE's current judgment of the activity durations, they are subject to risks and uncertainties that could cause the actual schedule to differ materially.

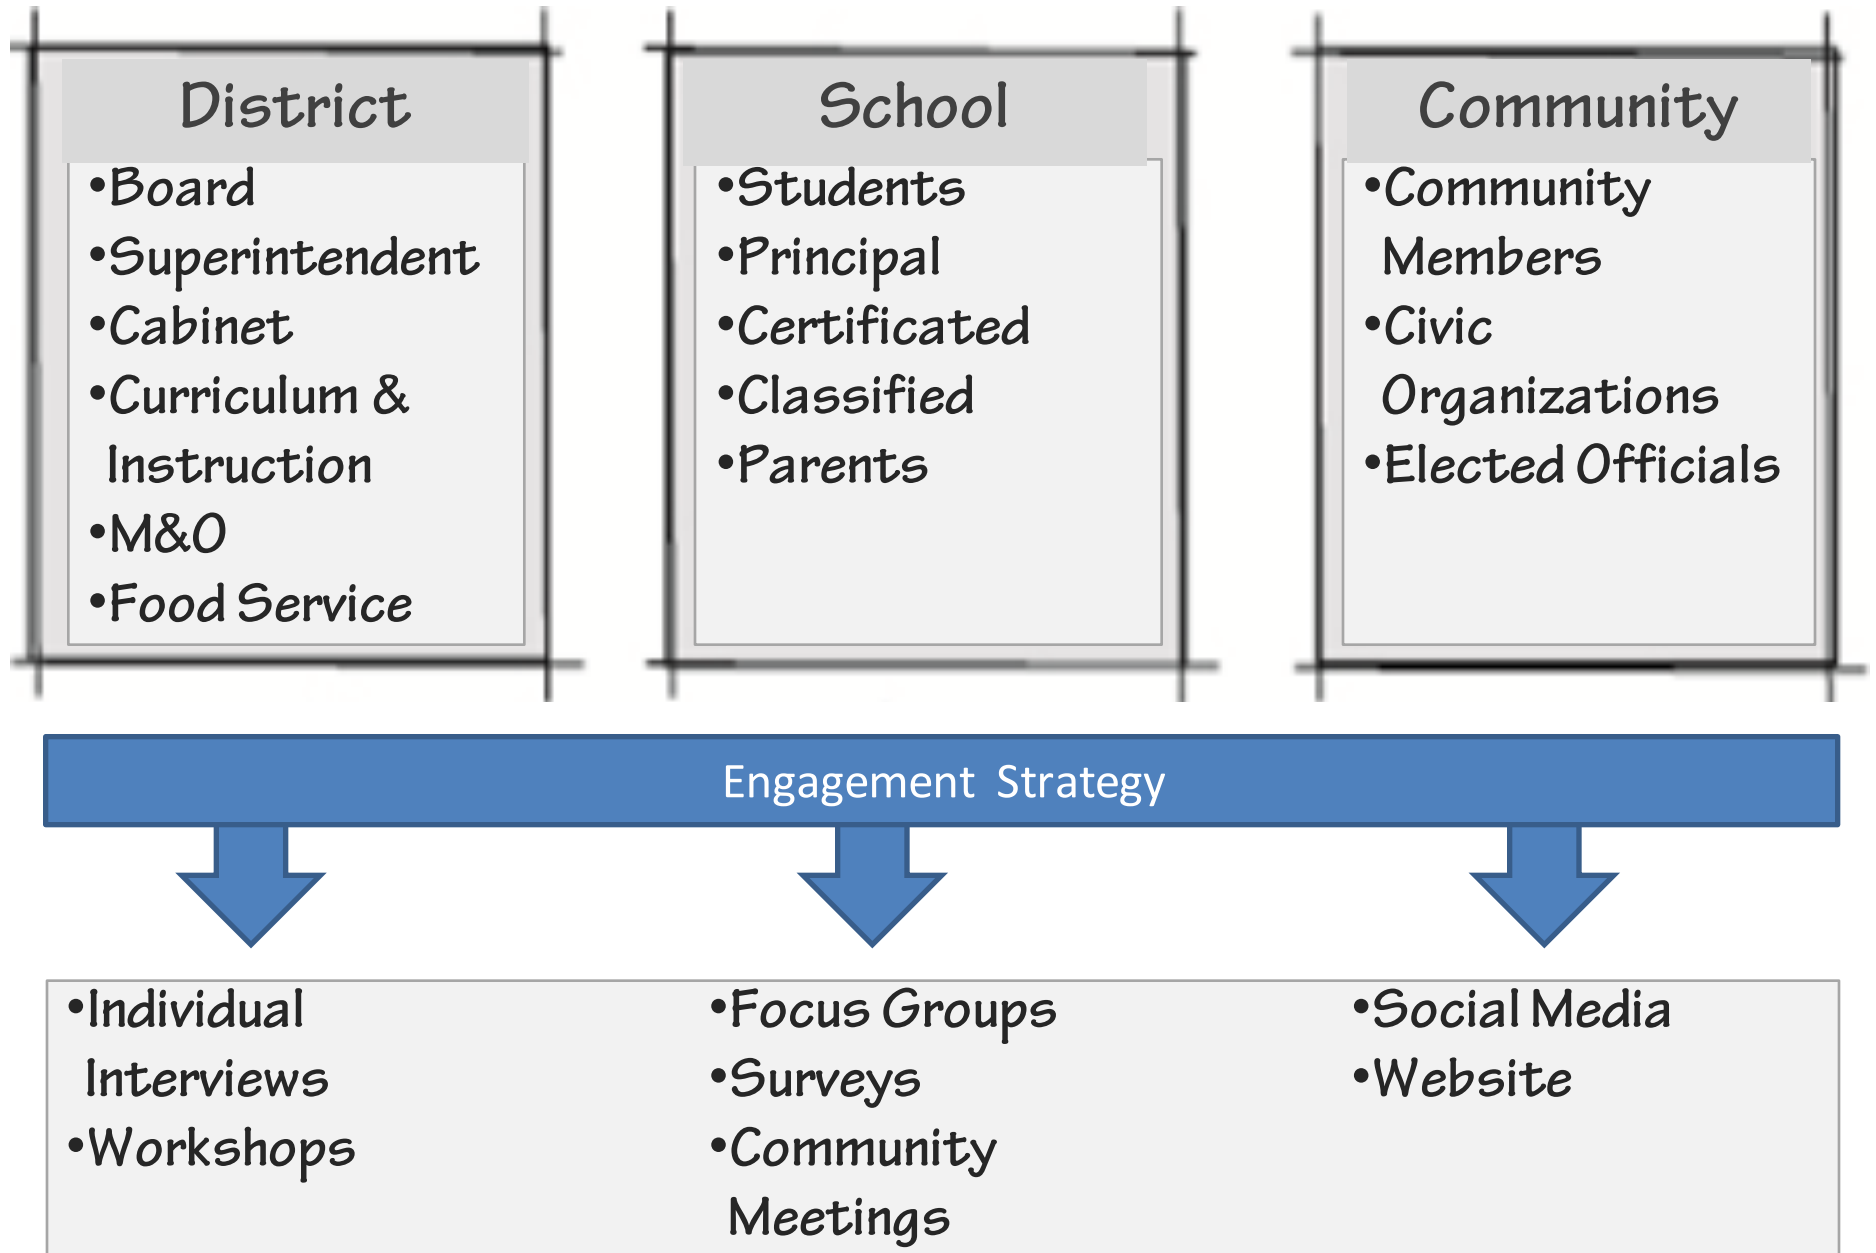

Facility Assessment Approach

Facility Assessment Schedule

  					
Palmdale School District Facilities Master Plan					
Site Assessment Schedule					
Please select your preferred time and date for your site's meeting and add your school name in an available slot. Note: This document will automatically save as long as you use the online form. Thank you!

Proposed Stakeholder Engagement

Identification of Stakeholder Groups

What are the relevant stakeholder groups that should be included in the community engagement process?

- **Hispanic Chamber of Commerce?**
- **African American Chamber of Commerce?**
- **Palmdale Chamber of Commerce?**
- **PTA/PTO Clubs?**
- **Palmdale West Rotary?**
- **Kiwanis Club?**
- **Superintendent's Advisory Council?**
- **Save Foundation?**
- **Boys and Girls Club?**
- **Gate Parent Group?**
- **State Representatives?**
- **Dacs/Delac?**
- **City Council and Mayor?**

Ideas we will be exploring...

How will PSD's facilities support:

- Student Learning
- Fostering 21st Century Skills
- Facilitate Teaching
- Community Involvement
- The Palmdale Promise
 - a) Vision
 - b) Mission
 - c) Values
 - d) Definition of Student Success

Looking Ahead

1. Individual Interviews
2. Facilities Assessments
3. Kitchen Assessments
4. Demographic and Enrollment Analysis
5. Community Meetings
6. Stakeholder Group Meetings
7. Steering Committee Formation
8. Board Workshops

Thank You!
